

REMARKS

Claims 25 and 26 have been amended. Reconsideration of the present application is respectfully requested in view of the foregoing amendments and the following remarks.

Objections to the Claims

Claims 25 and 26 were objected to for an antecedent informality. Claims 25 and 26 have been amended to overcome the objections. Specifically, claims 25 and 26 have been amended to recite "Computer readable medium" rather than "Computer program product."

Rejections of the Claims

Claims 1, 6, 9-15 and 24-26 were rejected on the grounds of nonstatutory obviousness-type double patenting as being unpatentable over claims 1 and 2 of commonly owned U.S. Patent No. 7,356,250. A terminal disclaimer under 37 C.F.R. § 1.321 is being filed herewith to obviate the double patenting rejections in order to expedite prosecution of the present application. Withdraw of the double patenting rejections is respectfully requested.

CONCLUSION

In view of the foregoing, it is respectfully submitted that all pending claims are allowable. Should the Examiner believe that a further telephone conference would expedite the prosecution of this application, the undersigned can be reached at the telephone number set out below.

Respectfully submitted,
BEYER LAW GROUP LLP
